Problem Statement

Our students are getting lost going to their classes and our app can help create a visual aid in navigating the UofSC campus. Included will be bus routes, campus foot traffic, and lesser known walking paths.

Who is experiencing the problem?

Anybody new to campus.

What is the Problem?

Freshman getting lost on campus and wanting a better route to classes.

Where does the problem present itself?

On UofSC campus.

Why does it matter?

Arriving on time to classes is important to education.
